## EXPECTATIONS OF A PUPPY RAISER

1. Care for the needs of an 8-week-old puppy, which will need attention every two hours during the day and possibly during the night for the first month.
2. Crate training/housebreaking
3. Spend at least 30 minutes a day doing obedience training, introducing at least 4-6 or more commands each week.
4. Attend formal obedience classes throughout the time the puppy is in your home.
5. Spend at least 3 hours a week socializing the puppy in public places.
6. Expose the puppy, (after 12 weeks of age), to as many varied types of exposures as possible. Not just the same routine.
7. You must be able to financially provide for the needs of a puppy for about 18 months. Unless the puppy is sponsored, this includes shots and regular veterinary care, neutering, x-rays, quality food and shelter. We hope to get as many sponsored puppies as possible.
8. Puppy belongs to Patriot Service Dogs, Inc. and is not your personal pet. You will be expected to return the puppy and service dog vest at a designated time for advanced training.
9. The puppy needs to be raised as an indoor dog. Keep in mind how it will live as a future service dog.
10. Attend training meetings when scheduled, approx. every other month.
11. As you are socializing your puppy, help educate the public about Service Dogs.
12. Represent Patriot Service Dogs, Inc. in a professional & positive light at all times.
13. Released service puppies/career change puppies may not be offered to the puppy trainer/raiser. Our goal is to find a working position for all of our puppies whenever possible.
- 14. Puppy Trainer/Raisers must be willing to turn in weekly command sheets and evaluations every other month on the puppy's progress.**
15. At 8 months of age, all puppies will be evaluated and graded. This will let us know how the puppy is progressing and if it is to stay in the program or be career changed.

Are you willing and able to do all of the above? \_\_\_\_\_ YES \_\_\_\_\_ NO
